#### Burney Forest Products, a Joint Venture; Notice of Application for Commission Recertification of Qualifying Status of a Small Power Production Facility and Certification of Qualifying Status of a Cogeneration Facility

July 23, 1996.

On April 30, 1996, as completed on July 11, 1996, Burney Forest Products, a Joint Venture of 35586-B, Highway 299 East, Burney, California 96013, submitted for filing an application for recertification of a facility as a qualifying small power production facility and certification as a qualifying cogeneration facility pursuant to Section 292.207(b) of the Commission's Regulations. No determination has been made that the submittal constitutes a complete filing.

According to the applicant, the biomass-fueled facility is located in Shasta County, California. The Commission previously certified the facility as a 24.0 MW small power production facility. The facility consists of two wood-fired boilers and a condensing/extraction steam turbine generator. Thermal energy recovered from the facility will be used by Big Valley Lumber in its sawmill for lumber drying. Power from the facility is sold to Pacific Gas & Electric Company. According to the applicant, the recertification is requested to report a change in the ownership and an increase in the maximum net capacity of the facility to 31.5 MW.

Any person who wishes to be heard or to object to granting qualifying status should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with rules 211 and 214 of the Commission's Rules of Practice and Procedure. A motion or protest must be filed within 15 days after the date of publication of this notice and must be served on the applicant. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make protestants parties to the proceeding. A person who wishes to become a party must file a motion to intervene. Copies

of these filings are on file with the Commission and are available for public inspection.

#### Florida Power & Light Company; Notice of Filing

August 5, 1996.

Take notice that on July 9, 1996, Florida Power & Light Company (FPL) tendered for filing an open access transmission tariff. FPL states that the open access tariff will supersede FPL's existing T-1, T-2, T-3, and T-4 tariffs. FPL proposes to place customers presently receiving transmission service pursuant to those tariffs under the open access transmission tariff. Through its
